Yeah he hacked her account and sent my mom and I messages saying she doesn't want to talk to anyone until she is 18. A cop just got off the phone with me and said he can't give me any info because Jerry was awarded 100% custody. I told him that was a default decision and in the process of being challenged and withdrawn and he said that's legal shit and to talk to my attorney

So

He said officers did talk to her alone and that she's in trouble and Jerry can do whatever he wants
