Subject: Leasee, Tess Fauver

To Whom It May Concern:

This letter is to inform you of the medical condition surrounding Krystin Fauver, DOB 02/02/2002.

Krystin is a patient of Dr. Krajbich here at Shriners Hospital for Children in Portland, Oregon. We are treating Krystin for severe scoliosis. In the process of working this patient up for pending spine fusion surgery, it was found that Krystin's case is further complicated by syrinx of the spinal cord. This condition requires the services and intervention of a highly trained Pediatric Neurosurgeon, specializing in these conditions.

Due to the highly specialized nature of Krystin's treatment regimen, it would be optimal if this patient lived in the Portland or surrounding area, where these medical services are more readily available. It is our understanding that it is the intention of the mother, Tess Fauver, to move to the area in the upcoming weeks.

Any help you may provide in this matter would be greatly appreciated.

Sincerely,

Kelly Alexander, RN

Care Coordinator for Dr. I. Krajbich
