We have two, and we're getting that 4 bedroom house I was telling you about!

Heck YEAH

I am rready

Me too! Can't wait for Friday! I met with a lady today from child services, and it went well, so should help get you here!

Would you want to be upstairs in the room by mine and Gabby's, or downstairs by the kids?

The kid's names are Kayleen, Ryan, and Devyn.

Downstairsss

Ooo also quick question, what's your honest opinion about the lgbt+ community?

I think it's good that there is one, because back in the day there wasn't.

Krys, you're my daughter. No matter what I'll never turn my back on you, or make you feel bad for what you feel is right for you.

Thank you so much

Maybe after I'm making more money we could have your gf come visit?

Oh gosh you have no idea how much I'd love that, but her parents hate me 😞

Oh, well that sucks. We can figure something out as far as you getting to see her again, if you do come here. I promise to do what I can to help with that.

Thank you soso so much oh my gosh

You're welcome. and I seriously want you to

1 I'll always try for you.

Thank you

Yeah, you're good.

2 It's what parents that love their kids do, they fry and support them.

Djdijxskd I ?? Have no idea how to respond (which is a good thing)

No response needed, just know that your dad wants the best for you, always.

3 Oh, and your Instagram pics with that one hair cut was exactly like my hair at that age. Lol kinda awesome.

That's so cool !!

4 I thought so. I saw those and instantly thought how much you looked like I did at that age.

Did the cps lady say that you could be at the meeting tomorrow?

I haven't heard from her yet, she's supposed to like take me to get suitcases or smthn today ? Or maybe I heard wrong idk

5 That'd be awesome! I'm super excited and anxious to see you here asap. It's been way too long, and I truly believe that this will be the best thing for us both.

Me toO

6 That means so much to me. You probably have an idea, but seriously I've been waiting so long to get back in touch with you.

Like I said yesterday, I've never wanted things to

Like I said yesterday, I've never wanted things to be how they've been. I always wanted to be part of your life.

I'm so excited to move there hhEck

That's awesome! Tomorrow should go that way, considering the situation and the fact you'll have your own room for sure.

I tagged you in the comments of a pic of my tattoo. Idk if you saw that or not. Lol

Was it on Facebook?

Yeah

Posted it yesterday

I just talked to her about it, and she was so happy about the new place we got! Tomorrow should go well for us, and I will do my best to make this happen for you. I want what's best for you, and to me that's being here.

Safe and in the same place.

Thank you so much

You're welcome. I'm just so happy that we're getting this chance, and that you want to come here. Means a lot to me, for real.

I hope you don't change your mind though. I really believe that it's meant for you to come here, and have a safe living environment going forward.

Cindy was excited when I told her we got the bigger place, and you'd have your own room

Repeated in his life: Cindy - why

Yes

It's just sad that they're trying to mess this up for you buy lying, after none of them have been there in the last 6 months while you've been bouncing around, right?

HONESTLY

That's my thoughts on it. I'm sorry they think that way. They may be trying to mess this up for me, but it's you they're hurting in my eyes.

This is upsetting

Have you even seen her mom or him since December?

Exactly

I haven't seen her for the past two weeks though

Thank you

That helps. Anything you can tell me about how bad it's been will help tomorrow.

That'd be abandoning you in the eyes of the court.

The fact that I move constantly has basically made Mr fail my classes because I can't focus on anything and it's made my anxiety worse and ive cried so much because im so SICK OF IT

It's been okay the past two weeks with my friend but i cant just stay there forever

That helps so much. Thank you for telling me that. I promise that won't be the case here. Not

but i cant just stay there forever

That helps so much. Thank you for telling me that. I promise that won't be the case here. Not in the slightest!!!

Thank you

Me and Gabby will make sure that you're always safe and feel welcome, because you are, and you're important to us. You're my daughter, and I love you unconditionally. Always have, and I always will.
